

Social Accountability Policy

JM Automatics Ltd fully supports the principles of SA8000 (International Social Accountability Standard), from an employer's perspective and complies with all applicable UK employment legislation.

JM Automatics Ltd

- supports and is fully compliant with the Modern Slavery Act 2015.
- does not subcontract any aspects of production unless approved by the customer.
- only procures components and raw materials from OEM suppliers, or suppliers approved by the customer.

D Psaila, Managing Director
